[Intro:]

I'm ready  
Are you ready too babe  
Count It out, Count It Out

[Verse 1:]

It's slowly taking over me  
The feeling that my mind just can't beat  
Never thought we'd be  
You and me all alone  
Do you think that this is wrong?  
I'm wondering what you're thinking  
Are you looking at me wondering if I  
If I got what you need  
Do you really want to be with me?  
Just close your eyes put your heart on mine

[Chorus:]

1, 2, 3, 4 I'm kissing all over you  
5, 6, 7, 8 can't believe I'm sexing you  
9 Ur all into it but  
Does this make you mine?  
And ten were more than just friends  
1, 2, 3, 4 I'm kissing all over you  
5, 6, 7, 8 Can't believe I'm sexing you  
9 Ur all into it but  
Does this make you mine?  
And ten were more than just friends

[Verse 2:]

You kiss me like you love me  
Does this mean you've always wanted me?  
I'll kiss it til it's wet  
Is is wrong for me to want you all to myself?  
Tell me it's mine baby  
Is it mine baby?  
I'm so deep  
I can feel your heart  
Help me count it out babe

[Chorus]

[Hook:]

As you slowly pull the covers over me  
Rub my hand my face between your knees  
Kiss me slowly  
Hold me closely  
Rub my body  
Scream you need me  
Don't be afraid to say you love me

[Outro:]

1, 2, 3, 4 Don't be afraid of nothing  
5, 6, 7, 8  
9 Say you love me, Say you love me baby  
And 10 (Does it feel goood my girl)  
1, 2, 3, 4 (My Girl)  
5, 6, 7, 8
