ever get something in your head?
its nothing you heard
or something you read

ever had a cut but you never saw the blade?
brought to your knees but you never prayed

Jesus in disguise, Jehova passing by
the burning of a tear, hanging in your eye
Jesus in disguise, a star across the sky
you were looking for a king you would never recognize
Jesus in disguise

ever feel like you've ever been somewhere before
you hold the key, you know which door
speak your lips the word has never known
cause your heart told your soul

Jesus in disguise, Jehova passing by
the burning of a tear, hanging in your eye
Jesus in disguise, a star across the sky
you were looking for a king, you would never recognize
Jesus in disguise

so open my eyes wide as i can
blind as i am, blind as i am
so open my eyes wide as i can
blind as i am, blind as i am
Jesus in disguise, Jesus in disguise

(so open my eyes wide as i can
blind as i am, blind as i am)
