No better word than from your lips  
No perfect life than what you lived  
No greater gift, no not one

No brighter star has ever shined  
No better hope for all mankind  
No higher mind, no not one

No one has ever known  
This kind of love you've shown

There has never been a greater love  
Than your son  
No. Not one  
And there'll never be a name above  
No, Not one  
With his life you have forgiven us  
Hope has come  
Hope has come  
And there will never be a greater love  
No, Not one

No image true or sweeter fame  
No simple word can match your name  
No greater fame  
No not one

No one has ever seen  
The depth of your majesty

Chorus

No greater call  
You gave us all a reason to live  
No greater love  
You gave us all a reason to give  
No greater life  
You gave us all a reason to shine  
No greater love  
Forever mine
