(Jayms)

Hey, where you at?

I thought you said you was gonna get here soon

You playin games

You better hurry up

(Jayms)

Stop playing

I called you up about two hours ago baby

You said that you were on your way

I'm still waiting

At first I was hot, now I'm burning(hurry up boy)

I'm getting impatient

What are you doin'?

I keep calling

I must be going through something

I need you to get here as soon as you can

Cause I might have to start without you

If you don't make it in time

(Jayms & Brandon)
