My life before You  
I was a flame burning down  
I was burning out

But You knew me better  
For You there was never a doubt  
God, since You gave me life  
Something was different, I Knew it the instant  
You put the light in me

The spark, the shot to the heart  
You are the hope that leads me out of the dark  
You let Your love shine down  
So that the world could see  
You put the light in me

The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me

You are the Maker, you tell the sun when to rise  
I'm just a house on a hill  
But You make me brighter than all the stars in the sky  
Keep me from growing down

Cause in Your perfection, I'm just a reflection  
So pull me closer to You  
I catch like a fire and I'll hold You higher  
Cause You put the light in me  
The spark, the shot to the heart  
You are the hope that leads me out of the dark  
You let Your love shine down  
So that the world could see  
You put the light in me

The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me

I'll raise it high, I'll let it show

From the rooftops down to the streets below  
In day and night, You will be known  
And all will see  
You put the light in me

Cause You put the light in me  
The Spark, the shot to the heart  
You are the hope that leads me out of the dark  
You let Your love shine down  
So that the world could see  
You put the light in me

The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me  
The light, you put the light in me
