(Chime) Six in the morning.

Doooo, Dooo, Dooo, Dat, Dooo, Doo, Da, Doo, Dooo
Doooo, Dooo, Da, Ooooo
Dooo, Dooo, Da, Dooo, Doo, Da, Doo, Doooo
Is our love a lie, Is our love, a, lie.
Six o'clock in the morning, honey.

Dooo, Dooo, Da, Dooo, Doo
Doo da deep Dooo Doo
Six o'clock in the morning, baby.
You don't really care.
Doo Da Doo Doo Deep
Doo De Da Doo Doo
Uh Oh

Baby love, you can have anyone you want
Is that why you abuse me, tantalize and tease me.

I know, many a guy knocks on your door and you
always answer.
Why do I always seem to choose and lose girl.

(Chorus)
Six o'clock in the morning
And you're still not here, baby
I can't find you nowhere
(Can't find you, nowhere)

You gave no warning
Staying out late with somebody
You don't really care.
(Oh, don't deceive me girl don't leave me)

Baby love, I want to wait till time stands still
Cause there's always another, somebody's sister of
mine
And I know I'd rather give my time to you
But the clock keeps a ticking
It's gettin' late, baby I can wait.

(Chorus)

Six o'clock in the morning
And you're still not here, baby
I can't find you nowhere
(Is our love a lie)

You gave no warning

Staying out late with somebody
You don't really care.
(Is our, is our, is our love, a, lie.)
Six in the morning (honey)
(Piano solo)
Six in the morning (baby)
(Piano solo)

(Instrumental fill)

(Chorus vamp to the end)
Six o'clock in the morning
And you're still not here, baby (the clock keeps a tickin'
on down)
I can't find you nowhere
(I can't find you, nowhere)

You gave no warning (gotta be stayin' out)
Staying out late with somebody
You don't really care.
(Is our, is our, is our love, a, lie.)

Six o'clock in the morning
And you're still not here, baby (what cha gonna do my
baby)
I can't find you nowhere
(I can't find you, nowhere)

You gave no warning
Staying out late with somebody
You don't really care.
(Is our love a lie?)

(Piano instrumental solo)

Cold Blooded,
One, two, three
Is our love, a, lie.

Six o'clock in the morning
And you're still not here, baby
I can't find you nowhere
(Is our love, a, lie.)

You gave no warning
Staying out late with somebody
You don't really care.
(Would you care, would you care?)
