Now there's all sorts of medicines that you can buy  
No matter what ailment youve got  
But I know a special one you ought to try  
You'll find it's the best of the lot  
It's my Auntie Maggie's home made remedy, it's  
guaranteed never to fail  
That's the stuff that will do the trick  
It's sold at every chemist for "one and a kick".  
Now if youve got lumbago, rheumatics or gout, or a  
pain in your Robert E. Lee  
Don't kick up a shindy, you'll never get windy with  
Auntie Maggie's Remedy

pain in your Robert E. Lee  
Don't kick up a shindy, you'll never get windy with  
Auntie Maggie's Remedy  
Now when the baby starts crying, there's always a  
reason  
And if you inspect him you'll see,  
The poor little chappy has covered his nappy  
With Auntie Maggie's Remedy  
Now I went to a doctor, I wasn't too well  
And he made me lie on a settee  
He said "there's trouble brewing, youve been  
overdoing  
Your Auntie Maggie's Remedy."  
Now I know a girl who was putting on weight,  
In a spot where it just shouldn't be  
So I said to Nellie, "Now you rub your ankle, with Auntie

Maggies Remedy."

Additional Verse

Now one day at the races, the hors that I backed

Could have won it was easy to see

But the trai
