Yeah Im A Hot Rod Chevy Painted Cherry Red And I
Need
some Mileage On My Wheels
I Was Born To Race, I Wanna Know How It Feels,
Been In Back Shed My Battries Dead, But All I Need Is A
Little Jump Start,
Come ON Baby Drive Me Crazy, Put Some Wear And
Tare On My Heart,
wear and tare on my heart
wear and tare on my heart
Hear Me Moan And Rumber When You Turn Me On Put
Me
In Gear Where I Belong, Ive Been Grease up,
stroke and bored here baby too long,
Bring Me Your Way, I'll Go All Day
Dont Worry About My Moving Parts
Come On Baby Drive Me Crazy, Put Some Wear And
Tare On My Heart,
wear and tare on my heart
wear and tare on my heart
ooooo put me through my paces, step on
good,good,good,good gracious now!

Put The Pedel To The Mental,
And Steer Me Straight, Give My RPMs A Rise,
Let your Hair Blow Free And Darling Close Your Eyes,
Ya Make It Feel So Good Under My Hood, Dont Worry
About Me Falling Part,
Come On Baby Drive Me Crazy Put Some Wear And Tare
On My Heart
Wear And Tare On My Heart,
wear and tare on my heart
Wear And Tare On My Heart,
wear and tare on my heart
ooooo put me through my paces, go on
Good,good,good,good, gracious now!
ooooo put me Through My Paces, Love It
Headed For The wide Open Spaces Now!
End
