Well a poor boy's chances for pretty girl's glances are
sometimes very few
But I've got no money if you'll be my honey here's what
I'll offer you
Well I'll give you love that's above and beyond the call
of love
And I'll never ever make you cry
I'm gonna give you love that's above and beyond the
call of love
And love's something that money can't buy
[steel]
Well we met by chance and I knew at a glance that I'd
met my destiny
Now I wanna carry you off and marry you if you will
agree

Well I'll give you love that's above...
And I said love's something that money can't buy
