I know where I'm going,  
And I know who's going with me  
I know who I love,  
And I know who I will marry  
I need no robes of silk,  
Nor shoes of fine green leather  
As long as she is with me,  
When we stroll across the heather

Feather beds are soft  
And painted rooms are bonny  
But I know she'll leave them all,  
For her loving Winsom Johnny  
All her wit and grace,  
Like a starry cluster shine  
Giving light and beauty  
To this simple soul of mine

I know where I'm going,  
And I know who's going with me  
And I know who I love,  
But the Dear knows who I'll marry
