Only one love, my darling
(Only one)
Only one dream
(Only one dream)
Can ever come true

And when it does
Then I'll be spending
Only one lifetime
With only one you
(Only one you)

Only one love
To give you
(Only one)
Only one thing
(Only one thing)
I ask may be done

That you would take
This love I'm giving
And say we two will
Soon be only one
(Only one, only one)

Only one love
To give you
(Only one)
Only one thing
(Only one thing)
I ask may be done

That you would take
This love I'm giving
And say we two will
Soon be only one
(Only one, only one)

And say we two will
Soon be only one
(Only one)
