I'm a roving gambler gambled all around
Whenever I meet with a deck of cards I lay my money
down
I gambled down in Washington gambled over in Spain
Now I'm on my way to Tennessee to knock down my
last game
Knock down my last game knock down my last game
Had not been in Washington many more weeks than
three
Till I fell in love with a pretty little girl she fell in love
with me
She took me in her parlor she cooled me with her fan
Then she whispered low in mother's ear I love that
gambling man
Love that gambling man love that gambling man
[ac.guitar]
Oh daughter oh dear daughter how could you treat me
so
To leave your dear old mother and with that gambler
go
Now listen to me mother you know I love you well
But the love I hold for the gambling man no human
tongue can tell
No human tongue can tell no human tongue can tell
[steel]
Well I would not marry a railroad man this is a reason
why
I never have seen a railroad man that would tell his
wife of life
Oh mother oh dear mother I tell you if I can
If you ever see me a coming back I'll be with that
gambling man
With that gambling man with that gambling man
