Thanks thanks a lot got a broken heart that's all I've got  
You made me cry and I cried a lot I lost your love baby  
thanks a lot

You told our friends as I was passin' by that you're not  
sorry that you made me cry  
You said I deserve everything I've got that's how you  
feel honey thanks a lot

Thanks thanks a lot...

[ steel ]

You wanted a fool I played the part now all I've got is a  
broken heart

We loved a little yeah we laughed a lot and then you're  
gone honey thanks a lot

Thanks thanks a lot...

Baby thanks a lot baby thanks a lot baby thanks a lot
