(I'm a truck drivin' man)
Well I stopped at a road house in Texas a little place
called Hamburger Dan's
Heard that old jukebox start playing tune called the
Truck Drivin' Man
The waitress then brought me up some coffee
I thanked her then called her back again
I said that old song sure does fit me cause I'm a truck
drivin' man
Pour me another cup of coffee for it is the best in the
land
I put a nickel in the jukebox and play the Truck Drivin'
Man
[guitar - steel]
Well I climbed back aboard my old semi and then like a
flash I was gone
I got them old truck wheels a rolling now I'm on my way
to San Antone
When I get my call up to glory they'll take me away
from this land
I'll head this old truck up to heaven cause I'm a truck
drivin' man
Pour me another cup of coffee...
And play the Truck Drivin' Man
