Under the influence of love  
She knew I knew that she was out to get me but I just  
close my eyes let it be  
Now she walks by me like she never met me I didn't  
even make a memory  
For I was under the influence of love I wonder now what  
I was thinking of  
Yes I was so in love I let her hurt me though I knew  
better  
Under the influence of love  
[ steel ]  
Why did I let her do me like she done me why can't I  
get that woman off my mind  
Although I know she never truly loved me I wish she  
break my heart just one time

For I was under the influence of love...
