"Walking The Floor Over You"

I'm walking the floor over you I can't sleep a wink that is true

I'm hoping and I'm praying as my heart breaks right in two

Walking the floor over you

You left me and you went away you said that you'd be back in just a day

You've broken your promise and you left me here alone

Don't know why you did dear but I do know that you're gone

I'm walking the floor over you...

Now someday you may be lonesome too walking the floor is good for you

Now just keep right on walking and it won't hurt your pride

Remember that I loved you and I will the day I die

I'm walking the floor over you...
