"Where Did The Sunshine Go"

Where did the sunshine go why is it raining so
Where is the love I used to know where did the
sunshine go
Where did the sunshine go why do the cold winds blow
Where is the one I needed so where did the sunshine
go

I discovered the sunshine in my darling's loving smile
Like a fool I thought the sun had come to stay
Then she fell for another and the sun went out of style
And the springtime vanished when she went away
Where did the sunshine go...

[ac.guitar]
Where did the sunshine go...
Where did the sunshine go...
