7 seven deadly sins
That's how the world begins
Watch out when you step in
For seven deadly sins
Seven deadly sins
That's when the fun begins
(seven deadly sins)

(sin number one) was when you left me
(sin number two) you said goodbye
(sin number three) was when you told me a little white
lie

Seven deadly sins
Once it starts, it never ends (seven deadly sins)
Watch out around the bend (seven deadly sins)
A seven deadly sins (seven deadly sins)

(sin number four) was when you looked my way
(sin number five) was when you smiled
(sin number six) was when you let me stay

Sin number seven was when you touched me and told
me why

Seven deadly sins
So many rules to bend
Time and time again
Seven deadly sins
Seven deadly sins

(seven deadly sins)
(seven deadly sins)
(seven deadly sins)

Seven deadly sins
That's how the world begins (seven deadly sins)
Watch out when you step in (seven deadly sins)
For seven deadly sins
Seven (seven) seven (seven) seven (seven) seven
(deadly sins)
