I'm thinking about the times you drove in my car
I'm thinking that I might have drove you too far
I'm thinking of the love
That you laid on my table

I told you not to wander 'round in the dark
I told you 'bout the swans that they live in the park
Then I told you about 'our kid'
Now he's married to mabel

Yes I told you that the life goes up and down

Notice how the wheel goes round?
And you'd better pick yourself up from the ground
Before they bring the curtain down
Yes before they bring the curtain down

Talking about a girl that looks quite like you
She didn't have the time to wait in the queue
She cried away her life since she fell out the cradle
