

## George Harrison "Band Introductions"

Visit "[Band Introductions](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I'd like to introduce you to a few people up here.  
Everybody here came on very short notice  
and some people even, uh, cancelled a few gigs to try  
and make it  
and nobody is getting paid for anything.  
Uh. We got on drums, Ringo Starr.  
Also on drums, Jim Keltner.  
There's somebody on bass who've many people have  
heard about,  
but they never actually seen him, Klaus Voorman.  
We've got a whole lot of guitarists.  
Uh, Mister Jesse Ed Davis, an old friend of mine, Mister  
Eric Clapton.  
And then, thank you, thank you.  
Somebody, I'm sure you all know by now, on piano,  
Leon.  
Stand up, Leon. I  
don't know if they're coming through on acoustic  
guitars,  
if you're hearing them, but it's, uh, an Apple band,  
Badfinger.  
And again, a whole lot of uh, singers out there.  
The singers, um, are all from all different parts of the  
world and different bands, uh. And just give them a big  
hand.  
I don't know what to do.  
And the Hollywood horn players over there led by Jim  
Horn.  
And have we forgotten anybody?  
Oh, yeah? We've forgotten Billy Preston.
