Day turned black, sky ripped apart
Rained for a year till it dampened my heart
Cracks and leaks the floorboards caught rot
About to go down I had almost forgot

All I got to do is to love you
All I got to be is, be happy
All it's got to take is some warmth to make it
Blow away, blow away, blow away

All I got to do is to love you
All I got to be is, be happy
All it's got to take is some warmth to make it
Blow away, blow away, blow away

Sky cleared up, day turned to bright
Closing both eyes now the head filled with light
Hard to remember the state I was in
Instant amnesia, yang to the yin

All I got to do is to love you
All I got to be is, be happy
All it's got to take is some warmth to make it
Blow away, blow away, blow away

All I got to do is to love you
All I got to be is, be happy
All it's got to take is some warmth to make it
Blow away, blow away, blow away

Wind blew in, cloud was dispersed
Rainbows appearing, the pressures were burst
Breezes a-singing, now feeling good
The moment had passed like I knew that it should

All I got to do is to love you
All I got to be is, be happy
All it's got to take is some warmth to make it
Blow away, blow away, blow away

All I got to do is to love you
All I got to be is, be happy

All it's got to take is some warmth to make it
Blow away, blow away, blow away
