Bye bye, love
Bye bye, happiness
Hello, loneliness
Think I'm gonna cry

Bye bye, love
Bye bye, sweet caress
Hello, emptiness
I know I'm gonna die
Goodbye, my love, bye bye

There goes our lady
With a, "You know who"
I hope she's happy
"Old Clapper' too"

We had good rhythm
(A little slide)
Then she stepped in
Did me a favor
I threw them both out

Goodbye, happiness
Hello, loneliness
I think I'm gonna cry
Bye bye, my love, bye bye

Bye bye, love
It's gonna be a raining outdoors
Hello, happiness
Goodbye, my love, goodbye

Now I'm into romance
I shy away from love
Got tired of ladies
(Ladies)
That plot and shove me

And that's the reason
We all can see
(See so clearly)
They see that our lady

Is out on a spree

Bye bye, love
Bye bye, happiness
Hello, loneliness
Think I'm gonna
Think I'm gonna
I'm gonna cry

Bye bye, love
Bye bye, happiness
Hello, emptiness
I think I'm gonna cry

Goodbye, my love, goodbye
Goodbye, my lovers, goodbye
[Incomprehensible]
Goodbye, my love
