Devils radio

Gossip, gossip
Gossip, gossip

I heard it in the night
Words that thoughtless speak
Like vultures swooping down below
On the devils radio

I hear it through the day
Airwaves gettin filled
With gossip broadcast to and fro
On the devils radio

Oh yeah, gossip
Gossip, oh yeah

Hes in the clubs and bars
And never turns it down
Talking about what he dont know
On the devils radio

Hes in your tv set
Wont give it a rest
That soul betraying so and so
The devils radio

Gossip, gossip
Gossip, gossip
(oh yeah) gossip, (gossip) oh yeah
(gossip) oh yeah, (oh yeah) gossip

Its white and black like industrial waste
Pollution of the highest degree
You wonder why I dont hang out much
I wonder how you cant see

Hes in the films and songs
And on all your magazines
Its everywhere that you may go
The devils radio

Oh yeah, gossip
Gossip, oh yeah

Runs thick and fast, no one really sees
Quite what bad it can do
As it shapes you into something cold
Like an eskimo igloo

Its all across our lives
Like a weed its spread
till nothing else has space to grow
The devils radio

Can creep up in the dark
Make us hide behind shades
And buzzing like a dynamo
The devils radio

(gossip) oh yeah, (gossip) oh yeah
(gossip) gossip, (gossip) gossip
Oh yeah, gossip I heard you on satans wireless
Gossip, oh yeah you know the devils radio, child
Gossip, gossip
Gossip, gossip
