Oh, where have you been, my blue-eyed son?
And where have you been, my darling young one?
I've stumbled on the side of twelve misty mountains
I've walked and I've crawled on six crooked highways

I've stepped in the middle of seven sad forests
I've been out in front of a dozen dead oceans
I've been ten thousand miles in the mouth of a
graveyard

It's a hard and it's a hard, it's a hard, it's a hard
It's a hard rain's a-gonna fall

Oh, what did you see, my blue-eyed son?
And what did you see, my darling young one?
I saw a newborn baby with wild wolves all around it
I saw a highway of diamonds with nobody on it

I saw a black branch with blood that kept drippin'
I saw a room full of men with their hammers a-bleedin'
I saw a white ladder all covered with water
I saw ten thousand talkers whose tongues were all
broken

And it's a hard, it's a hard, it's a hard, it's a hard
It's a hard rain's a-gonna fall

What did you hear, my blue-eyed son?
And what did you hear, my darling young one?
I heard the sound of a thunder that roared out a
warnin'
I heard the roar of a wave that could drown the whole
world

Heard one hundred drummers whose hands were a-
blazin'
Heard ten thousand whisperin' and nobody listenin'
I heard one person starve, I heard many people
laughin'
Heard the song of a poet who died in the gutter

And it's a hard, it's a hard, it's a hard, it's a hard

It's a hard rain's a-gonna fall

Who did you meet, my blue-eyed son?
Who did you meet, my darling young one?
I met a young child beside a dead pony
I met a white man who walked a black dog

I met a young woman whose body was burning
I met a young girl, she gave me a rainbow
I met one man who was wounded in love
I met another man who was wounded in hatred

It's a hard, it's a hard, it's a hard, it's a hard
It's a hard rain's a-gonna fall

Oh, what'll you do now, my blue-eyed son?
And what'll you do now, my darling young one?
I'm a-goin' back out 'fore the rain starts a-fallin'
I'll walk to the depths of the deepest dark forest

Where the people are many and their hands are all
empty
Where the pellets of poison are flooding their waters
Where the home in the valley meets the damp dirty
prison
The executioner's face is always well hidden

Where hunger is ugly, where souls are forgotten
Where black is the color and none is the number
And I'll tell it and think it and speak it and breathe it
Reflect it from the mountain so all souls can see it

Then I'll stand on the ocean until I start sinkin'
But I'll know my song well before I start singin'
And it's a hard, it's a hard, it's a hard, it's a hard
It's a hard rain's a-gonna fall

It's a hard rain's a gonna fall
It's a hard rain's a gonna fall
