Here comes the sun (du dn du du)  
Here comes the sun  
And I say  
Its alright

Little darling  
Its been a long cold lonely winter  
Little darling  
It seems like years since it's been here

Here comes the sun  
Here comes the sun  
And I say  
Its alright

Little darling  
The smiles returning to the faces  
Little darling  
It seems like years since it's been here

Here comes the sun (du dn du du)  
Here comes the sun  
And I say  
Its alright

Sun, sun, sun, here it comes (four times)

Little darling  
I see the ice is slowly melting  
Little darling  
It seems like years since it's been clear

Here comes the sun (du dn du du)  
Here comes the sun  
Its alright

Here comes the sun (du du du du)  
Here comes the sun  
Its alright  
Its alright
