Lonely days are long
Twilight sings a song
All the happiness that used to be

Soon my eyes will close
Soon I'll find repose
And in dreams
You're always near to me

I'll see you in my dreams
Hold you in my dreams
Someone took you right out of my arms
Still I feel the thrill of your charms

Lips that once were mine
Tender eyes that shine
They will light my way tonight
I'll see you in my dreams

(instrumental break)

Lips that once were mine
Tender eyes that shine
They will light my way tonight
I'll see you in my dreams

They will light my lonely way tonight
I'll...see you in my dreams
