I got my mind set on you I got my mind set on you
I got my mind set on you I got my mind set on you

But it's gonna take money a whole lotta spending
money
It's gonna take plenty of money to do it right child
It's gonna take time a whole lotta precious time
It's gonna take patience and time mmm to do it to do it
To do it to do it to do it to do it right child

I got my mind set on you I got my mind set on you
I got my mind set on you I got my mind set on you

And this time I know it's real the feeling that I feel
I know if I put my mind to it I know that I really can do it
I got my mind set on you (set on you)
I got my mind set on you (set on you)

But it's gonna take money a whole lotta spending
money
It's gonna take plenty of money to do it right child
It's gonna take time a whole lotta precious time

It's gonna take patience and time mmm to do it to do it
To do it to do it to do it to do it right

I got my mind set on you I got my mind set on you
I got my mind set on you I got my mind set on you

And this time I know it's real the feelings that I feel
I know if I put my mind to it I know that I really can do it
But it's gonna take money a whole lotta spending
money
It's gonna take plenty of money to do it right child
It's gonna take time a whole lotta precious time
It's gonna take patience and time mmm to do it to do it
To do it to do it to do it to do it right

Set on you set on you set on you set on you
Set on you set on you set on you set on you
Set on you set on you set on you set on you
