(George: a couple of numbers from Leon)

[Jumpin' Jack Flash]

I was born in a crossfire hurricane  
And I howled at my mama in the driving rain  
But it's alright now in fact it's a gas  
And it's alright, hey  
I'm Jumping Jack Flash it's a gas gas gas

I was raised by a toothless bearded hag  
I was schooled with a strap right across my back  
But it's alright now in fact it's a gas  
And it's alright, hey  
I'm Jumping Jack Flash it's a gas gas gas

But it's alright now in fact it's a gas  
And it's alright  
I'm Jumping Jack Flash it's a gas gas gas

[...]

But it's alright now in fact it's a gas  
It's alright now in fact it's a gas  
But it's alright now in fact it's a gas  
But it's alright now, but it's alright now  
But it's alright

[Jumpin' Jack Flash end - 3:48]

Well, you know that I love my woman  
But just sometimes she just don't treat me right  
Yeah, I woke up this morning and I looked her in the  
eye  
She said sweet daddy, you got what I want  
But you ain't givin' it to me  
Oh, and it hurt me deep down into my soul  
And I had [...] out of the door  
I was [...] my heart [...]  
Gonna ever see my baby no more

I went a-walkin' down the street

And I was ashamed to look at anyone I meet  
Ooh, [...] and there she was standing  
Leaning up against a lamp post  
(Well, tell it, tell it)

[Youngblood - 4:35]

I saw her standing on the corner  
A yellow ribbon in her hair  
All night long my heart was shudder  
Look at there, look at there  
You're the one, look at there  
Youngblood, youngblood, youngblood  
Woo, I can't get you out of my mind

And I couldn't sleep, I went on crying  
And I saw the risin' of the sun  
All night long my heart was crying  
You're the one, you're the one  
You're the one, you're the one  
Youngblood, youngblood, youngblood  
Well, I can't get you out of my mind

[...] she looked so tough  
I had to follow her all the way home  
And when we were there

I met her dad, he said:  
You'd better leave my daughter alone

And I couldn't sleep, I went on crying  
And I saw the risin' of the sun  
All night long my heart was crying  
You're the one, you're the one  
You are the one, you're the one  
Youngblood, youngblood, youngblood  
Woo, I can't get enough of your love

(Youngblood)  
Woo, you're breaking my heart in two  
(Youngblood, youngblood, youngblood)

[Youngblood end - 7:08]

Ooh, and I looked at that 19 year old girl  
Right in the eye.  
And I said you look so sweet to me darlin'  
But there's one thing I got to tell you.  
You know, I've got me a fine old lady  
Lying back there in that bedroom at home  
And I think I got to get hack to her.

Ooh, you ain't interested in my, she said.  
[...] walkin' home down the street, back to my pet  
And I crawled and I snugged and I crawled back in the  
bedroom

My baby looked at me with her great big blue bedroom  
eyes

And she said:

Wooh, dad where have you been all night long?

Yet I know I told you to get away from me

I told you to leave me alone

Wooh, but I had a chain in your heart

And I've been needin' you all night long

[...] needin' the good thing

I ain't had none of the good thing

Yeah and I looked at my baby and I said

Baby, I said, what is it that I've got that you want, yeah?

She looked at me and she said, real slow, real soft,  
real sweet

She said this right here:

[Jumpin' Jack Flash reprise - 8:24]

Yeah, it's alright now, in fact it's a gas

Well, it's alright now, in fact it's a gas

But, it's alright now, in fact it's a gas

It's alright, it's alright now

[Jumpin' Jack Flash end - 9:14]

Yeah, now ev'rybody's got a young lady at home that  
they love

But sometimes the things, they just don't go right

But I want to tell you one thing, and it's for sure

You treat your woman like you treat yourself

Ev'rything is gonna be alright

Yeah it's gonna be alright now.
