Just for today  
I could try to live through this day only  
Not deal with all lifes problems  
Just for today

If just for one night  
I could feel not sad and lonely  
Not be my own lifes problem  
Just for one night

If just (for) today  
I could try to live through this day only  
Not deal with all lifes problems  
Just for today

If just for one night  
I could feel not sad and lonely  
Not be my own lifes problem  
Just for one night

Just for today  
I could try to live through this day only  
Not deal with all lifes problems  
Just for today

Just for today
