Nobody feels any pain
Tonight as I stand inside the rain
Evrybody knows
That babys got new clothes
But lately I see her ribbons and her bows
Have fallen from her curls.
She takes just like a woman
And she makes love just like a woman
And she aches just like a woman
But she breaks just like a little girl.

Queen mary, she's my friend
Yes, I believe I'll go see her again
Nobody has to guess
That baby can't be blessed
Till she sees finally that she's like all the rest
With her fog, her amphetamine and her pearls.
She takes just like a woman
She makes love just like a woman
And she aches just like a woman
But she breaks just like a little girl.

It was raining from the first
And I was dying there of thirst
So I came in here
And your long-time curse hurts
But what's worse
Is this pain in here
I can't stay in here
Aint it clear that

That I just can't fit
Yes, I believe it's time for us to quit
But when we meet again
Introduced as friends
Please don't let on that you knew me when
I was hungry and it was your world.
Ah, you fake just like a woman, yeah you do and
You make love just like a woman, yeah and
You ache just like a woman
But you break just like a little girl.
