You always said that I'd be back again  
That I'd come running to you in the end  
I thought that you were on your own  
And now I find you're not alone

I'll see you through the rain  
Through the heartache and pain  
It hurts like never before  
You're not alone any more

You always said that I would know someday  
Just how it feels when your love walks away  
I let you down I let you go  
I lost you, how was I to know

I'll see you through the rain

Through the heartache and pain  
It hurts like never before  
You're not alone any more

I never knew I could feel this way  
I never could see past yesterday  
You feel that everything is gone  
I feel it too, you're not alone

I'll see you through the rain  
Through the heartache and pain  
It hurts like never before  
You're not alone any more
