I want a love that's right  
Right is only half of what's wrong  
I want a short-haired girl  
Who sometimes wears it twice as long

Now Im steppin out this old brown shoe  
Baby Im in love with you  
So glad you came here, it wont be the same  
Now Im telling you

You know you picked me up  
From where some try to drag me down  
And when I see your smile  
Replacing evry thoughtless frown

Got me escaping from the zoo  
Baby Im in love with you  
Im so glad you came here, it wont be the same  
Now Im telling you

If I'll grow up I'll be a singer  
Wear rings on evry finger  
Not worrying about what they or you'll say  
Live and love and maybe someday, who knows baby  
You may comfort me (yeah)

I may appear to be imperfect  
But my love is something you can't reject  
Changing faster than the weather  
You and me should get together, who knows baby  
You may comfort me

I want the love of yours  
To miss that love is something I'd hate  
Ill make an early start  
Im making sure that Im not late

For your sweet lip Im in the queue  
Baby Im in love with you  
Im so glad you came here, it wont be the same  
Now Im telling you

So glad you came here  
It wont be the same now Im telling you  
So glad you came here  
It wont be the same now when Im with you  
Oh yeah yeah

(du-dai, du du-dai)  
(du-dai, du du-dai)  
(du-dai, du du-dai)  
(du-dai, du du-dai)
