When every song is sung  
When every bell's been rung  
When every picture's hung up  
I'll still love you

When every wind has blown  
When every seed is sown  
When everything is known  
Then I'll still love you

You know I'll love you, yes I will  
You know that I'll love you  
Love you, love you, yes I will

You know I love you, yes I do  
When times get too hard  
You know I'll be there loving you

When every soul is free  
When every eye can see  
When people all agree  
Then I'll still love you
