Back then long time ago when grass was green  
Woke up in a daze  
Arrived like stangers in the night  
Fab - long time ago when we was fab  
Fab - back when income tax was all we had

Caresses fleeced you in the morning light  
Casualties at dawn  
And we did it all  
Fab - long time ago when we was fab  
Fab - you are my world you are my only love

And while you're in this world  
The fuzz gonna come and claim you  
But you mo better wise  
When the buzz gonna come and take you away  
Take you away  
Take you away

The microscopes that magnified the tears  
Studied warts and all  
Still the life flows on and on  
Fab - long time ago when we was fab  
Fab - but it's all over now baby blue  
Fab - long time ago when we was fab  
Fab - like this pullover you sent to me

Fab  
And youve really got a hold me  
Fab - long time ago when we was fab
