"A House Without Love"

Visit "[A House Without Love](#)" on MotoLyrics.com

For years we both have lived on pride dear and we
agree that love is gone

Why oh why do we keep tryin' a house without love is
not a home

The love light in your eyes has faded and I'm
contented just to roam

We slaved to gain a worthless treasure a house without
love is not a home

[steel]

No matter where our footsteps wander I know we'll both
be all alone

With the pride that came between us a house without
love is not a home

The simple things have gone forever we wanted wealth
to call our own

Now we've reached the hour of parting a house without
love is not a home
