Tonight I'm all alone and broken hearted  
A love we knew I never shall forget  
And tell myself that lonely night we parted  
I got a lifetime to regret.

They tell me you are happy with another  
And I wonder if my memory lingers yet  
The things I said the night we said goodbye, dear  
Oh, I got a lifetime to regret.

--- Instrumental ---

If we could just erase the mistakes we made, dear  
I'm sure we could find happy moments yet  
But we can't change the past and I'm afraid, dear  
That I got a lifetime to regret.

I know down in my heart that I'm forgivin'  
'Cause I'm just like the fish caught in a net  
I know true love is what mad my life worth livin'  
I got a lifetime to regret...
