(Tammy)

Before you take another step
There's something you should know
About the years ahead and how they'll be.
You'll be living in a world
Where roses hardly ever grow
'Cause, all I have to offer you is me.

(Both)

There'll be no mansion waiting on the hill
With crystal chandeliers
And there'll be no fancy clothes for you to wear
Everything I have is standing here
In front of you to see
All I have to offer you is me.

(George)

Sweetheart I'll give you all my love
In every way I can
Make sure that's what you want
While you're still free
The only gold I have for you
Is in this wedding band
'Cause, all I have to offer you is me.

(Both)

There'll be no mansion waiting on the hill
With crystal chandeliers
And there'll be no fancy clothes for you to wear
Everything I have is standing here
In front of you to see
All I have to offer you is me.

All I have to offer you is me...
