How do you teach a heart not to cry
When it sees that old love walkin' by
How do you make a heart obey commands
'Cause I'm afraid my heart is almost out of hand.

Almost out of hand I do believe
I'm afraid my foolish heart, it don't agree
Any fool I know should understand
But I'm afraid my heart is almost out of hand.

--- Instrumental ---

Almost out of hand I do believe
I'm afraid my foolish heart, it don't agree
I must try to make it understand
But I'm afraid my heart is almost out of hand.

Yes, I'm afraid my heart is almost out of hand...
