Well, I'm tired of travelin' down this rocky old road
This old heart of mine is a-hurtin' from a heavy load
Aw, it eases those away my heart went wrong
But the Lord, He know I'm about to bring it on home.

Woa, I'm a-bringin' it, (I'm bringin' it, (yeah))
I'm bringin' it, (bringin' it,) um yeah
I'm bringin' it, ever talking, yeah
I said I'm a-bringin' it, hmm
This old hearts been away to long
And I'm a-bringin' it home (a-bringin' it home.)

A when the angels come and carry me away
And I have to face the Lord on the justice day
I've got to have the power to stand upon His throne
That means a change in my heart and I'm a-bringin' it
home.

Well yea, I'm a-bringin' it, (bringin' it) that's right
I'm bringin' it, (bringin' it,) um yeah
I'm bringin' it, ever talking, yeah
I said I'm a-bringin' it, hmm
This old hearts been away to long
And I'm a-bringin' it home (a-bringin' it home.)

--- Instrumental ---

Someday, somewhere you'll hear the trumpets sound
There'll be lightning, and thunder and a-earthquakes in
the ground
So don't you let the devil tell you that your hope is gone
There'll be a whole lot of hearts that will never go
home.

Well, that's why I'm a-bringin' it, (I'm bring it, (yeah))
I'm bringin' it, (bringin' it,) uh huh
I'm bringin' it, ever talking, yeah
I'm a-bringin' it, hmm
This old hearts been away to long
And I'm a-bringin' it home (a-bringin' it home.)

Yeah, I'm bring' it (home), Yeah, I'm bringin' it
Well, that right I'm a bringin' it
Let's talk in the mean time
Yeah I'm a-bringin' it, hmm...
