Of all the people in this world, why you and I  
With lovers here and everywhere we don't care enough  
to try  
Why couldn't all the hurt we're feeling now have  
passed us by  
Couldn't love have picked a better place to die?

And of all the hearts in all the world, why yours and  
mine  
There's so many places love could die, we must leave  
the earth for a time  
Oh, but it's in our hearts and it's in our bed and it's  
even in your eyes  
Couldn't love have picked a better place to die?

Somewhere out there there's lovers who want to be  
free  
Why couldn't love have died with them instead of here  
with you and me  
Oh, but it's pityful how all these tears won't bring it back  
to life  
Couldn't love have picked a better place to die?

--- Instrumental ---

Oh, but it's pityful how all these tears won't bring it back  
to life

Oh, couldn't love have picked a better place to die?
