Our hand is like a torch each time you touch me
That look that's in your eyes pulls me apart
Don't open the door to heaven if I can't come in
Don't touch me if you don't love me, sweetheart.

Your kiss is like a drink, oh, when I'm thirsty
Oh, and I'm thirsty for you with all my heart
But don't love me then act as though we've never
kissed
Don't touch me if you don't love me, sweetheart.

Don't give me something, oh, that you might take away
To have you then lose you it wouldn't be smart on my
part
Don't open the door to heaven if I can't come in
Don't touch me if you don't love me, sweetheart.

--- Instrumental ---

No, don't give me something, Lord, that you might take
away
To have you then lose you it wouldn't be smart on my
part
Don't open the door to heaven, honey, if I can't come in
And don't touch me if you don't love me, sweetheart.

Dn't touch me if you don't love me, sweetheart...
