Everything's gonna be alright
We're happy day and night
'Cause we had a little talk with Jesus
And everything is gonna be alright.

Well, my troubles overtook me
And I was deep in doubt
I was trying in my own way
To work my problems out.

But now I found me answer
And future looks so bright
'Cause we had a little talk with Jesus
And everything is gonna be alright.

Everything's gonna be alright
We're happy day and night
'Cause we had a little talk with Jesus
And everything is gonna be alright.

--- Instrumental ---

I had no one to turn to
But now I found the key
It was really simple
Just went down on my knees.

And now I see the troubles
I see 'em in a different light
'Cause we had a little talk with Jesus
And everything is gonna be alright.

Everything's gonna be alright
We're happy day and night
'Cause we had a little talk with Jesus
And everything is gonna be alright.

Everything's gonna be alright
We're happy day and night
'Cause we had a little talk with Jesus
And everything is gonna be alright.

(Because we) had a little talk with Jesus
And everything is gonna be alright...
