Hey, I've got a guitar, I've got a fiddle
I'll sing the low part, I'll sing the middle
Rosin up the bow and let's pick a little
Got a fiddle and guitar band.

I like old songs, I like the new
I like the glad songs, I like the blues
Well, we'll play them and another note too
With the fiddle and guitar band.

Standing on the sidewalk singin' up a storm
You ain't seen? till the day you were born?
Pickin' and a-grinnin' and a-carryin' on
We're goin' to put you on a show.

He plays a music with a cajun beat
We play it hot and you played it sweet
First thing you know you'll be tappin' your feet
To a little bit of do - se - do. oo - oo.

If you really want to make it shine
Throw up a dollar or a quarter or a dime
Everybody's gonna have a real good time
With the fiddle and guitar band.
