I got to get up and get some loving done  
My life so far ain't been much fun  
Well I got my self a woman and I know that your the one  
I got to get up and get some lovin' done.

I've been a-sittin' in the corner of the world much to  
long  
A? came by and gave me a happy song  
My lonesome days are through and I give my heart to  
you  
I got to get up and get some loving done

I got to get up and get some loving done  
My life so far ain't been much fun  
Well I got my self a woman and I know that your the one  
I got to get up and get some lovin' done.

--- Instrumental ---

Your my pot of gold at the end of the rainbow  
And you're the greatest woman I could ever know  
I look at you and see the whole world belongs to me  
I got to get up and get some loving done.

I got to get up and get some loving done  
My life so far ain't been much fun  
Well, I got my self a woman and I know that your the  
one  
I got to get up and get some lovin' done.

I got to get up and get some loving done...
