Well, I just got a letter from a friend  
That bettered himself by traveling around  
Well, he struck it rich by diggin' a ditch  
In the hills outside of town.

The pretty girl he misses called Cindy Lou  
Well, I want one like her too  
If I can't find a girl like Cindy Lou  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

Cindy Lou, Cindy Lou  
Well, I want one like her too  
If I can't find a girl like Cindy Lou  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

--- Instrumental ---

You said her hair was black as coal  
And hung nearly to the ground  
And her eyes would sparkle just like the gold  
That was flyin' all around.

You said there's a lotta pretty girls you knew  
Could you help me find one too  
If I can't find a girl like Cindy Lou  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

Cindy Lou, Cindy Lou  
Well, I want one like her too  
If I can't find a girl like Cindy Lou  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

--- Instrumental ---

I'm gonna hop on my pony  
Ride where they don't know me  
And leave behind me all my bills

I got a can full of beans  
And a whole lotta greens  
Way up there in them hills.

I'll have it made just layin' in the shade  
Way up there in the blue  
And if all of my dreams don't come true  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

Cindy Lou, Cindy Lou  
Well, I want one like her too  
If I can't find a girl like Cindy Lou  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.

I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you.  
I'm gonna have a little talk with you friend  
I'm gonna have a little talk with you...
