Woke up this mornin' at the Astro zoo  
I looked out my window and what did I see  
A-comin' up my sidewalk was a busy day  
Well, here comes trouble  
That I never thought I'd see when she went away.

Hey, hello trouble (hello trouble)  
Come on in (come on in)  
Well, you talk about heartaches  
Where in the world have you been  
No, I ain't had no trouble  
Since you've been gone  
Well, hello trouble (hello trouble)  
Welcome home.

We'll make a pot of coffee and you can rest your heels  
And you can tell me them sweet lies and I'll listen to  
you  
For I'm just a little hard up from the life we lived  
But I'm gonna have a kittle bit a trouble  
And you'll never know the love you give.

Hey, hello trouble (hello trouble)  
Well, Come on in (come on in)  
You talk about heartaches (heartaches)  
Where in the world have you been  
No, I ain't had no trouble  
Since I don't know when  
Hello trouble (hello trouble)  
Come on in.

--- Instrumental ---

Hey, hello trouble (hello trouble)  
Come on in (come on in)  
Well, you talk about heartaches (heartaches)  
Where in the world have you been  
'Cause, I ain't had to mention you  
Since you been gone  
Well, hello trouble (trouble)  
Welcome home.

I said, hello trouble ( trouble)  
Welcome home...
