I've gambled in the game of love  
The cards and dice have fallen  
I've had my share of aweet romance  
I've had fights and lots of quarels.

Well I've rode in cars with movie stars  
My bank accout's a doozer  
But when I gamble with my heart  
I always wind up a loser.

--- Instrumental ---

I alway wind up lookin' back  
And I says, boys, what happened  
The strings of love has just run out  
And you heart screams it's madness.

My sex appeals lies in the pill  
And that's where I'm the choser  
But when I gamble with my heart  
I always wind up a loser.

--- Instrumental ---

At the game where money's to blame  
With cards around the table  
I'll make a bet and get a met  
I havn't always been able.

I guess the cards are all marred  
And the wonmans eyes are bluer  
But when I gamble with my heart  
I always wind up a loser.

--- Instrumental ---

I've rode in cars with movie stars  
My bank accout's a doozer  
But when I gamble with my heart  
I always wind up a loser.

Lord, Lord...
