I hear the bluebirds singing
I hear the robins too
I hear the church bells ringing
Oh, but I don't hear you.

I see little things mark his and hers
A constant reminder we're through
I hear the rain on my window
Oh, but I don't hear you.

--- Instrumental ---

I hear the children playing
I hear the clock striking two
I hear the mailman whistling
Oh, but I don't hear you.

I see little things mark his and hers
A constant reminder we're through
I hear the rain on my window
Oh, but I don't hear you...
