(George)

Funny how a woman can come on so wild and free
Yet insist I don't watch her undress or watch her watch
me

And stand by the bed and zip up as if she were cold
And just lie down beside me and touch me as if I were
gold.

(Both)

One night of love don't make up for six nights alone
But I'd rather have one than none 'cause I'm flesh and
bone

Though sometimes it seems she ain't worth the trouble
at all

She can be worth the world if some how you can touch
her at all.

--- Instrumental ---

(Lynn)

But right or wrong a woman can own any man
She can take him inside her and hold his soul in her
hand

Then leave him as weak, weak as a new born child
Fighten to get his first breath and open his eyes.

(Both)

One night of love don't make up for six nights alone
But I'd rather have one than none 'cause I'm flesh and
bone

Though sometimes it seems she ain't worth the trouble
at all

She can be worth the world if some how you can touch
her at all.

Six nights alone

Oh, but I'd rather have one than none 'cause I'm flesh

and bone
