It's okay that you are leaving, it's okay if you don't care  
It's okay that you are happy long as I don't interfere  
It's okay with me sweet baby, I've been fed up from the  
start  
It so fine to find another sucker, it's okay to break his  
heart

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay.

--- Instrumental ---

It's okay you found another, it's okay if he wants you  
It's okay to leave tomorrow that just what I hope you do  
It's okay if your a cheater, it's okay if cheaters win  
'Cause it's best to be a loser when your in the shape I'm  
in.

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay.

--- Instrumental ---

If you leave, I won't grieve  
Leave today, it's okay  
That's what you want, honky tonk  
It's okay, it's okay, it's okay...
